No. IIUI/FET/DCE/25/3821

Dated: January 27, 2025

**Subject: Visiting Faculty Required for Department of Civil Engineering, Spring 2025**

Applications are invited for teaching in semester spring 2025, for BS Civil Engineering (Morning) and BE-Tech (Civil) (Evening) Programs for the following Courses.

Sr. No	Subject Code	Subject Name	Program Offered
1.	MS 301	Hydrology and water Resource Management (Lab)	Morning
2.	CE 214 L	Advanced Fluid Mechanics (Lab)	Morning
3.	CE 206	Structural Analysis-I (Theory)	Morning
4.	GR 209	Islamic Studies/Ethics (for non-Muslim students (Theory)	Morning
5.	GS 202	Probability and Statics for Engineers (Theory)	Morning
6.	CE 208	Architecture and Town Planning (Theory)	Morning
7.	GEC-113	Quantitative Reasoning-I (Two Section)	Morning
8.	CE-102	Engineering Drawing (Theory) (Two Section)	Morning
9.	CE-102 L	Engineering Drawing (Lab) (Two Section)	Morning
10.	CE-103	Engineering Mechanics (Theory) (Two Section)	Morning
11.	CE-104	Engineering Surveying (Theory) (Two Section)	Morning
12.	CE-104 L	Engineering Surveying (Lab) (Two Section)	Morning
13.	CE-131	Geology for Engineers (Theory) (Two Section)	Morning
14.	CT-373	Irrigation & Hydraulic Structure (Theory)	Evening
15.	CT-254	Transportation Engineering (Theory)	Evening
16.	CT-254 L	Transportation Engineering (Lab)	Evening
17.	CT-264	Water Supply and Waste Water Management (Theory)	Evening
18.	CT-264 L	Water Supply and Waste Water Management (Lab)	Evening
19.	CM-203 L	Environmental Management (Lab)	Evening
20.	CT-273	Theory of Structure (Theory)	Evening
21.	CT-273 L	Theory of Structure (Lab)	Evening
22.	CH-223	Technical Report Writing (Theory)	Evening
23.	CT-124	Concrete Technology (Theory)	Evening

Faculty of Engineering & Technology  
Department of Civil Engineering

24.	CH-103	Communication Skills (Theory)	Evening
25.	CT-103	Civil Engineering Drawing, Drafting and Interpretation (Theory)	Evening
26.	CT-103 L	Civil Engineering Drawing, Drafting and Interpretation (Lab)	Evening
27.	CS-123	Applied Mathematics-II (Theory)	Evening
28.	MS-133	Applied Chemistry (Theory)	Evening
29.	CH-122	Arabic for Understanding Quran-I (Theory)	Evening

2. Male candidates qualification at least MS for Theory Courses and BS for Lab Courses in relevant field may send their CV by indicating their subject of choice to [fiaz.ahmed@iiu.edu.pk](mailto:fiaz.ahmed@iiu.edu.pk) before Feb 02, 2025.
