

IIU Business Incubation Center is partnering with PIEAS in organizing CREATE '19 mentoring and support workshop for students and budding entrepreneurs. The purpose of this activity is to create an enabling environment where students bring forward their ideas and will have a chance to pitch in front of judges and top three ideas will be awarded prize money.

This year's call is for ideas in: **Engineering, Technology, Energy and Social sectors.**

For registration please use this link: [create.pieas.edu.pk](http://create.pieas.edu.pk)

**Do you have a vision? Come steer and accelerate your startup with some best mentors!**
